

# Cucumber

## English Telegraph

Plant Seeds Outdoors:

APR	MAY	JUN	JUL	AUG	SEP
	—				

**Ready to Harvest:** 50–70 days

This heirloom variety produces straight, slim slicing cucumbers with a very mild flavour. The fruits average 35 cm (14") long and are perfect for salads and sandwiches. Water soil, not leaves, to reduce disease. Harvest often to increase yield. Grow on trellis or netting for easy harvest.
